

Josh Troy Fouquet

106 Park Place
Ste 300
Covington, LA 70433

josh@cfbcllc.com

Professional Summary

Josh is an accomplished project management professional with over 12 years' experience in residential construction. His expertise in management of multi-million-dollar projects and successfully working with government agencies includes planning and development, contract administration, scheduling, and client coordination. He has consistently demonstrated the ability to effectively manage subcontractors for quality assurance, ongoing production and safety compliance.

Education

Southeastern Louisiana University, Hammond, Louisiana—After one semester, Josh decided to jump straight into the family business and into the life-long continuing education of learning by doing. After more than 10 years Josh has gained enough experience to serve as an expert leader in many areas of the construction business.
